WHITE STAR JEWEL NOMINATIONS

Each year in August the Fraternal Council consider nominations for Manchester Unity Friendly Societies highest merit award, the **White Star Jewel**.

The criteria for the award is:-

“To be presented by the Grand Master of the Order in New Zealand to any member who has performed some outstanding service to a Lodge, District or the Order.”

There is no opening date for this award as we should always be looking at our members to see if there is a deserving person. **However there is a closing date each year and that is the 31st of July.** Any nominations received after that date will be held for consideration in the following August.

To assist in this process the Council has created a “Nomination Form” and a Criteria list. Both of these are downloadable from the Manchester Unity website. Please note in particular clauses 5 and 9 on the Criteria list. Please complete the Nomination Form as fully as you are able.

This is a great opportunity to recognise a member’s contribution to Manchester Unity Friendly Society. Please remember to put all relevant information on the Nomination Form and citation as it is on these that the nominations will be considered. It cannot be presumed that we know anything about a particular nominee. Nominations may be supported by letters from other members, Lodges or Districts.

Nomination Forms, Citations and supporting letters can be posted, couriered or emailed to the above contact details and should reach me by the closing date each year.

Please contact me if you have any questions.

Regards

Ian Fitchett
