

Downloading the Manchester Unity App

Welcome to Manchester Unity's very own app. You can access hundreds of money saving deals, right at your fingertips.

To get started follow the easy steps below.

1. Downloading the Manchester Unity app

Jump into either the Apple App store, or the Play Store/Google Play for Android and download our app for free. Just search 'Manchester Unity' in the search bar and click 'Get' / 'Download' for Apple/Android.

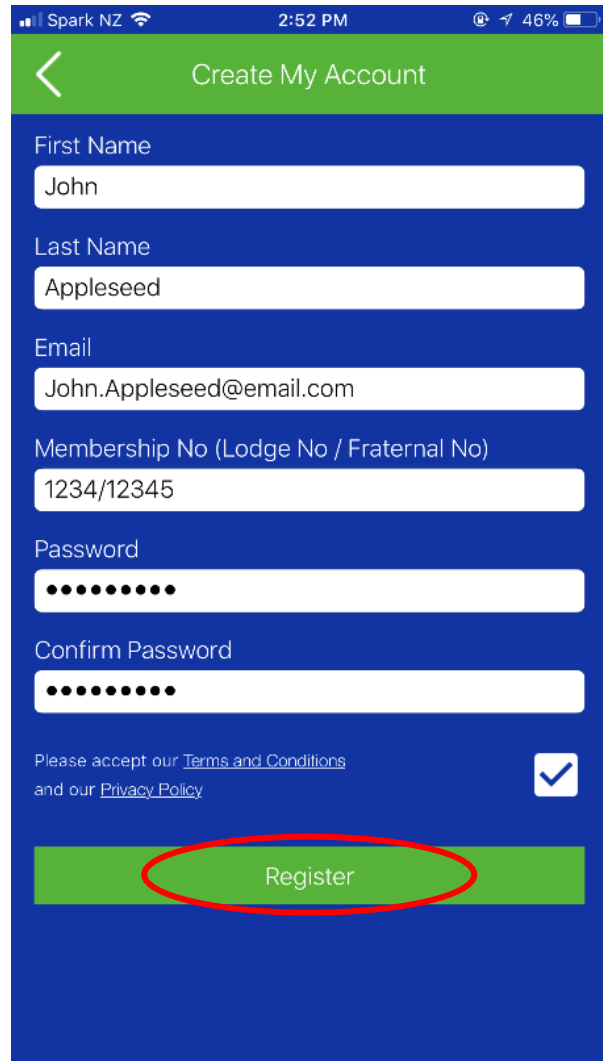

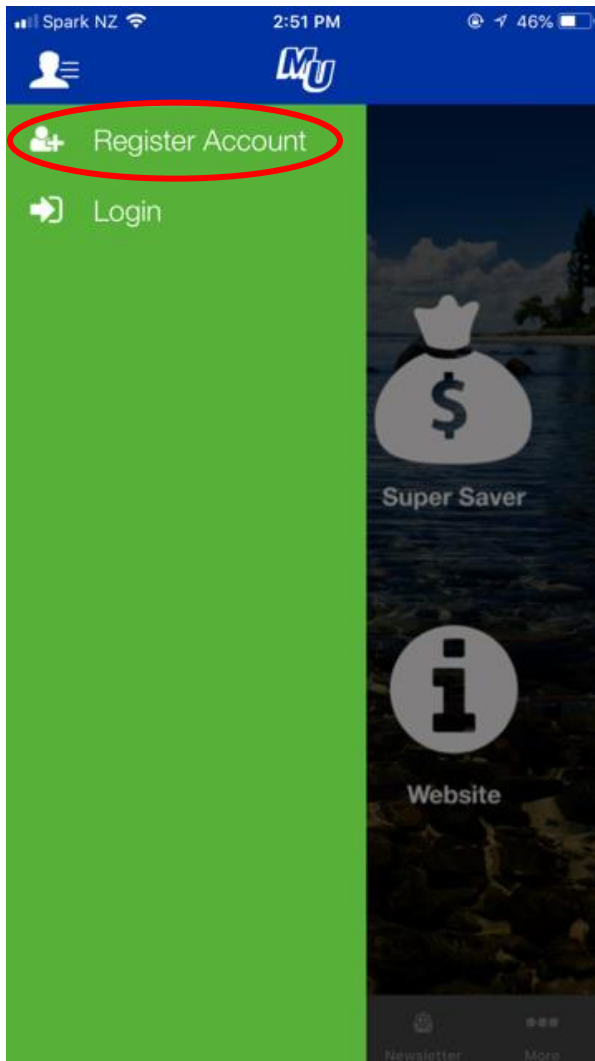

2. Open the Manchester Unity app

On your mobile, tap the MU icon to open the app to launch it.

3. Make an account

You can register an account by using your Manchester Unity Membership number. Make sure to enter your Membership number in the correct format which can be found on your recent dues notice. If your account is over 3 quarters in arrears you will be unable to register or sign in. Please ring Society office to sort this.

4. And you're in!

You can now enjoy the Manchester Unity member discounts and benefits!
