

COVID-19 NOTICE REGARDING HOLIDAY HOMES

04 APRIL 2022

Yes, access to our holiday homes is open!

Under the government's COVID-19 Protection Framework all our holiday homes are open without restrictions at Red.

Each holiday home unit can take its prescribed number of occupants.

How to safely use our holiday homes:

Face coverings. We encourage you to wear a face covering whenever you leave your holiday home unit. Face coverings help reduce the spread of COVID-19.

Keep up with healthy habits to protect us. Even though we are a highly vaccinated country, COVID-19 can still spread in our communities. Keep the healthy habits of washing hands, social distancing, disinfecting surfaces and stay home if you are sick.

All holiday homes are currently at Red

Mt Maunganui, Ohope, Taupo, Nelson, Hanmer Springs, Queenstown,

Handy information

A reminder of the COVID-19 symptoms:

Common symptoms of COVID-19 are like those found with illnesses such as a cold or influenza. You may have one or more of the following:

- new or worsening cough
- sneezing and runny nose
- fever
- temporary loss of smell or altered sense of taste
- sore throat
- shortness of breath

Less common symptoms of COVID-19 may include diarrhoea, headache, muscle aches, nausea, vomiting, malaise, chest pain, abdominal pain, joint pain, or confusion/irritability. These almost always occur with one or more of the common symptoms.
